

AD 1.4 GROUPING OF AERODROMES/HELIPORTS

The criteria applied by Islamic Republic of Iran in grouping aerodromes/heliports for the provision of information in this AIP are as follows:

Primary/major international aerodrome

The aerodrome of entry and departure for international air traffic, where all formalities concerning customs, immigration, health, animal and plant quarantine and similar procedures are carried out and where air traffic services are available on a regular basis.

Secondary/other international aerodrome

Another aerodrome available for the entry or departure of international air traffic, when the formalities concerning customs, immigration, health and similar procedures and air traffic services are made available, on a restricted basis, to flights with prior approval only.

National aerodrome/heliport

An aerodrome available only for domestic air traffic, including those military aerodromes/heliports where civil air traffic is allowed under certain conditions.
